

Summer in the City

SUMMER EXPERIENCES

Week One 🎨 June 18 – 22

METRO ART

Work in the Studio for the week with our Art Department Head, Jessica Somerville for a creativity packed series of art sessions! Develop your drawing, painting, printmaking and photography skills as we work collaboratively to explore life living in NYC. Experiment with new materials, new ideas and meet new people in an artsy and supportive environment!

Week Two 🍷 July 16 – 20 OR June 18 – 22

BEYOND THE SKYSCRAPERS: ASTROPHYSICS

In this workshop we will explore astronomy and physics in a solar system and learn about planets outside of our own neighborhood. Through various activities about stars, the objects around them, and groups of stars (galaxies), we will see how they were discovered, some of the difficulties in observing objects so far away, and also what the study of galaxies means for us here on Earth.

Week Three 🎵 July 16 – 20

URBAN ROCK

The show must go on! Students will spend the week working together to prepare for a mini concert. The band will visit Radio City Music Hall for a mid-week tour and students will work together to create their very own Rock Band!

Week Four 🏠 July 16 - 19

SOCIAL SKILLS IN THE BIG APPLE*

Oh the places we'll go! Team up with our Speech & Language Pathologist to develop peer communication and enhance pragmatic skills. Navigate NYC, prepare for interviews, take surveys on the street to form opinion polls, and order at restaurants. Learn practical skills, while building self-confidence and friendships!

**Please note: No session will be held on June 20th for Social Skills in the Big Apple*

*With a special request programs may be offered on alternative dates.
Please contact us to inquire further.*
